

# AI TownSquare

Civic infrastructure for the intelligence age

The Format

A Civic Protocol That Produces Public Goods

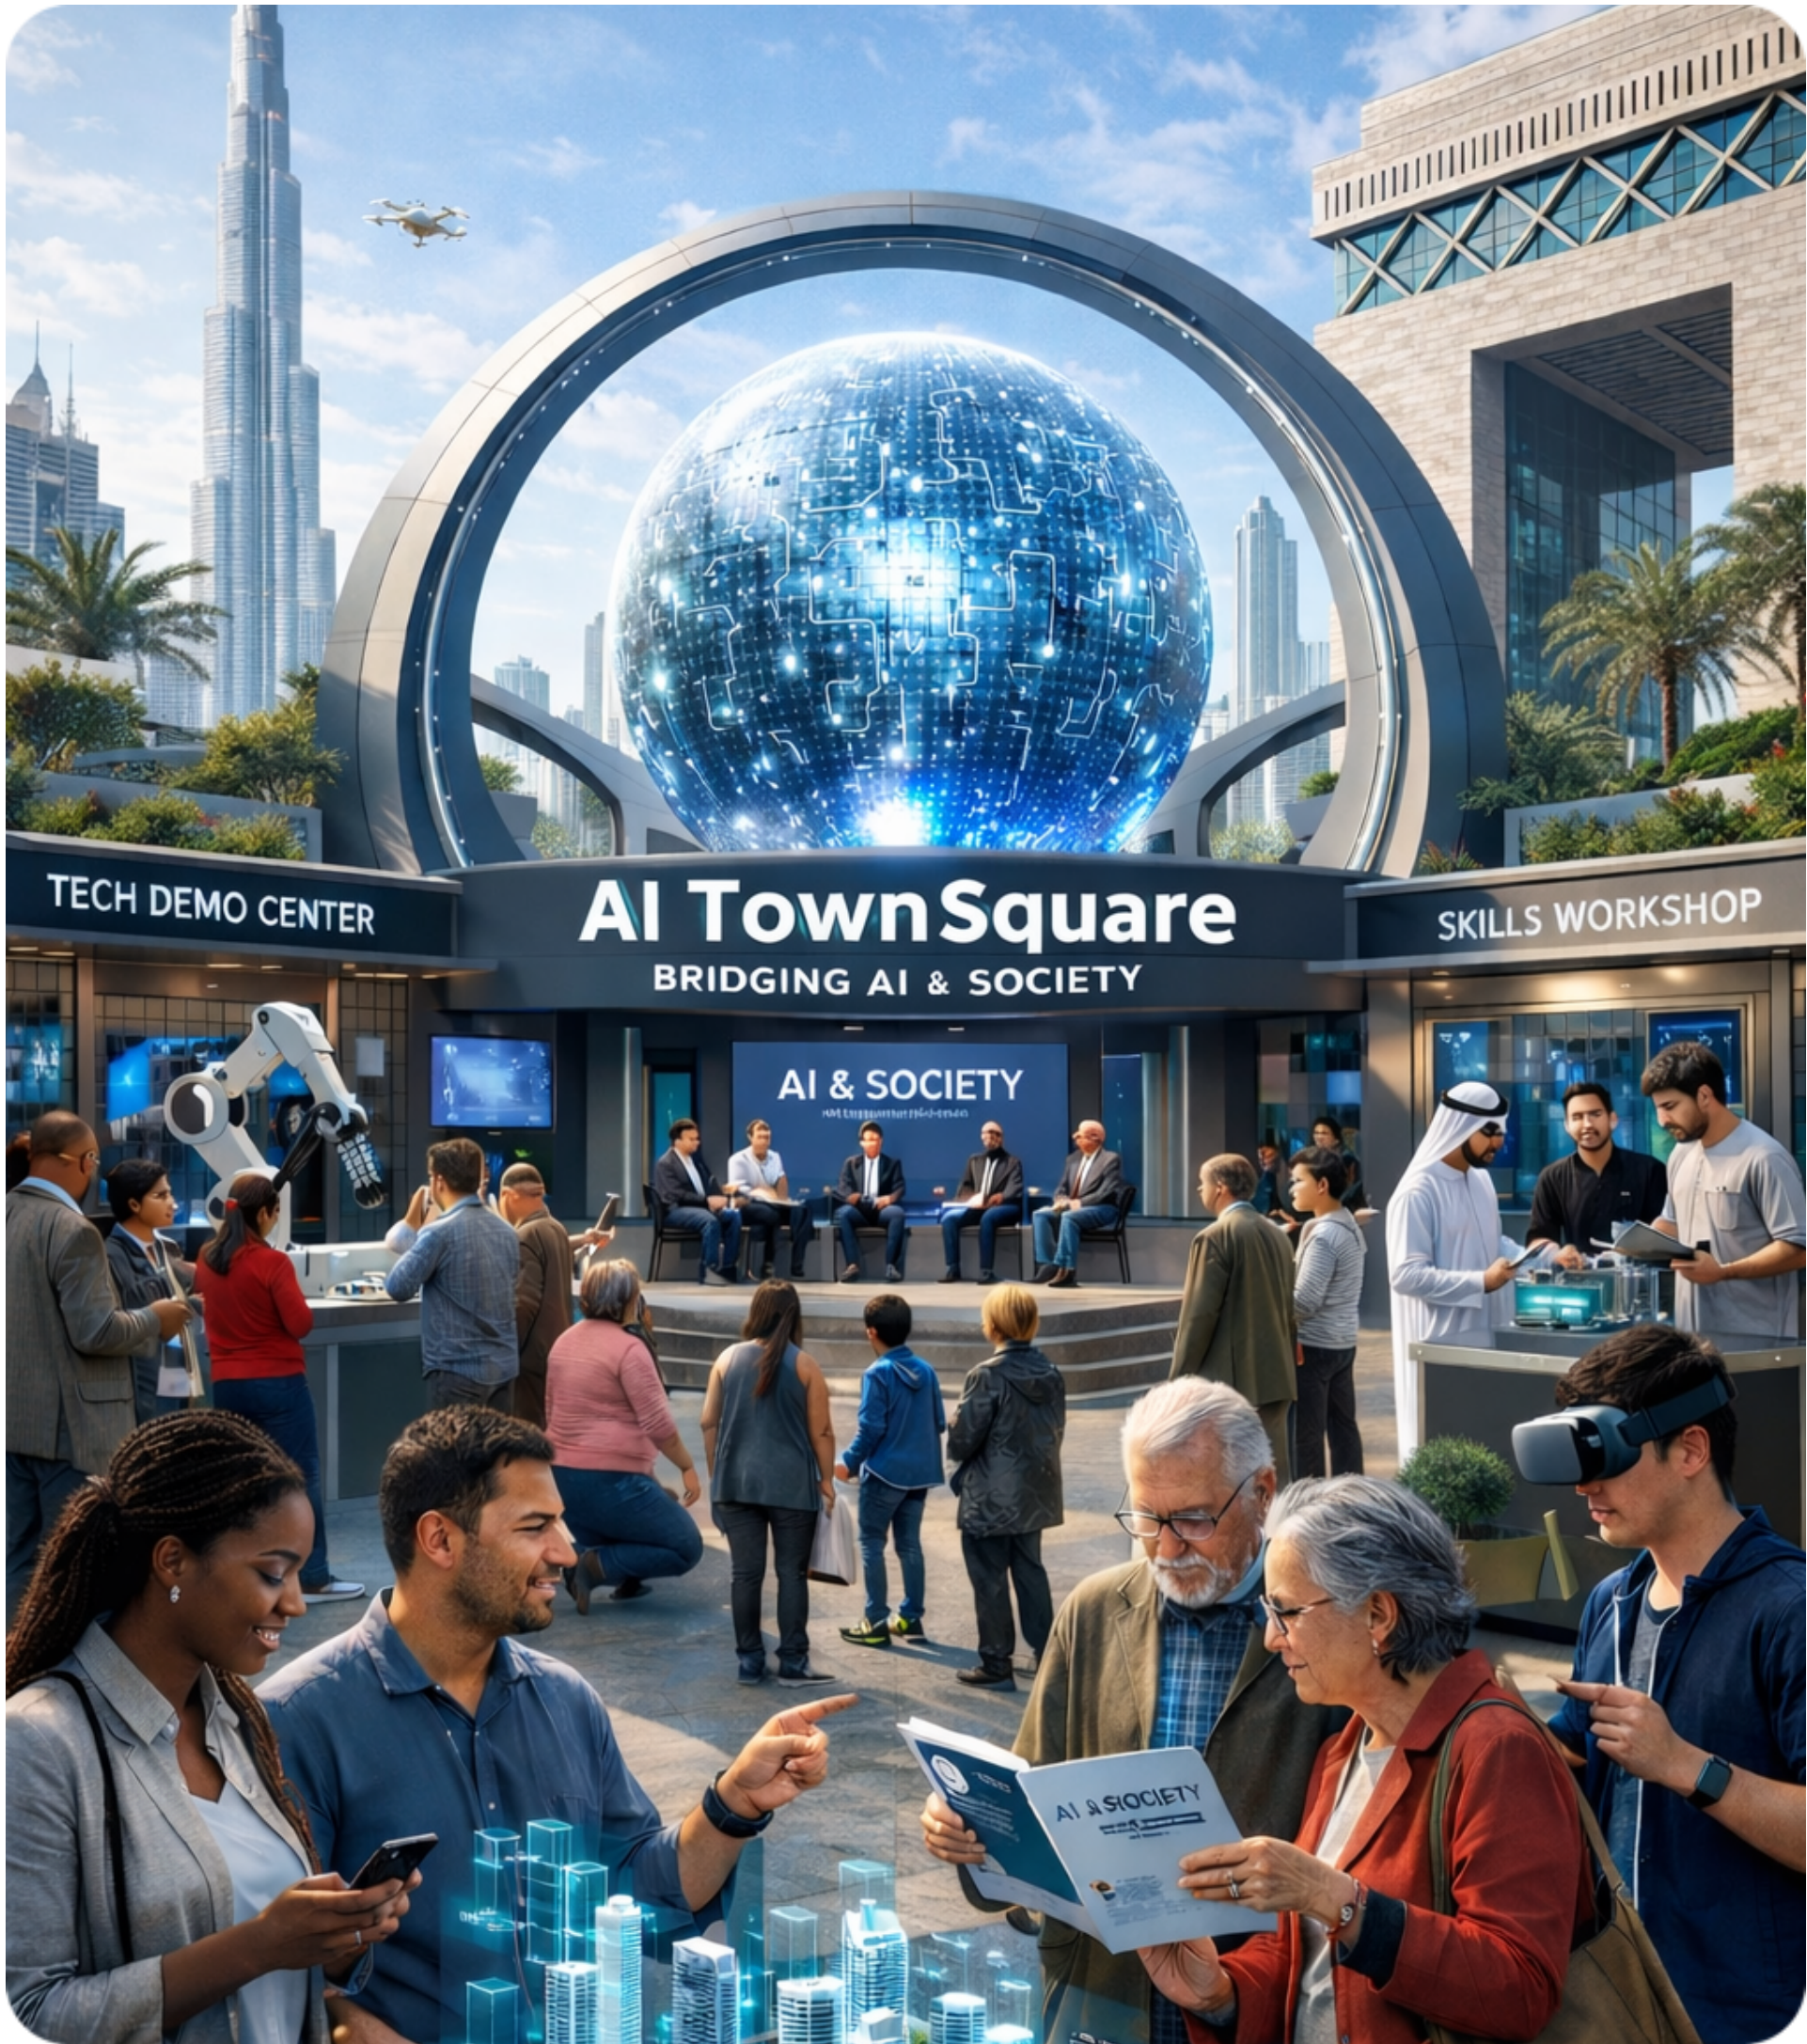

- 60

 Minutes  
One focused session
- 25

 Curated Participants  
Cross-sector: builders, users, regulators, citizens
- 7

 Phase Protocol  
Structured dialogue that produces insight
- 48

 Hour Insight Brief  
Published output that feeds governance

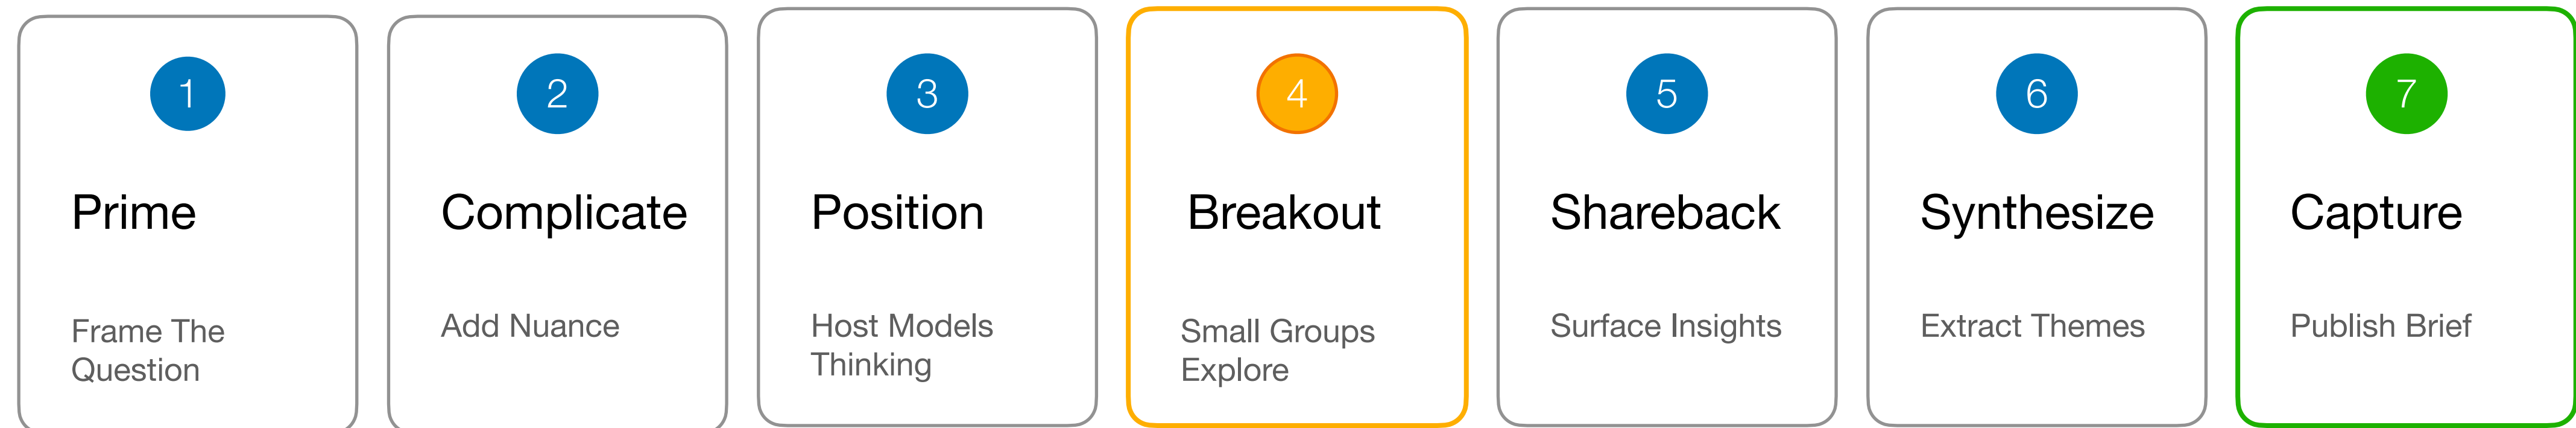

Global in voice. Local in Presence. Lightweight in form. Deep in impact  
Rotating topics. Rotating cities. Consistent protocol

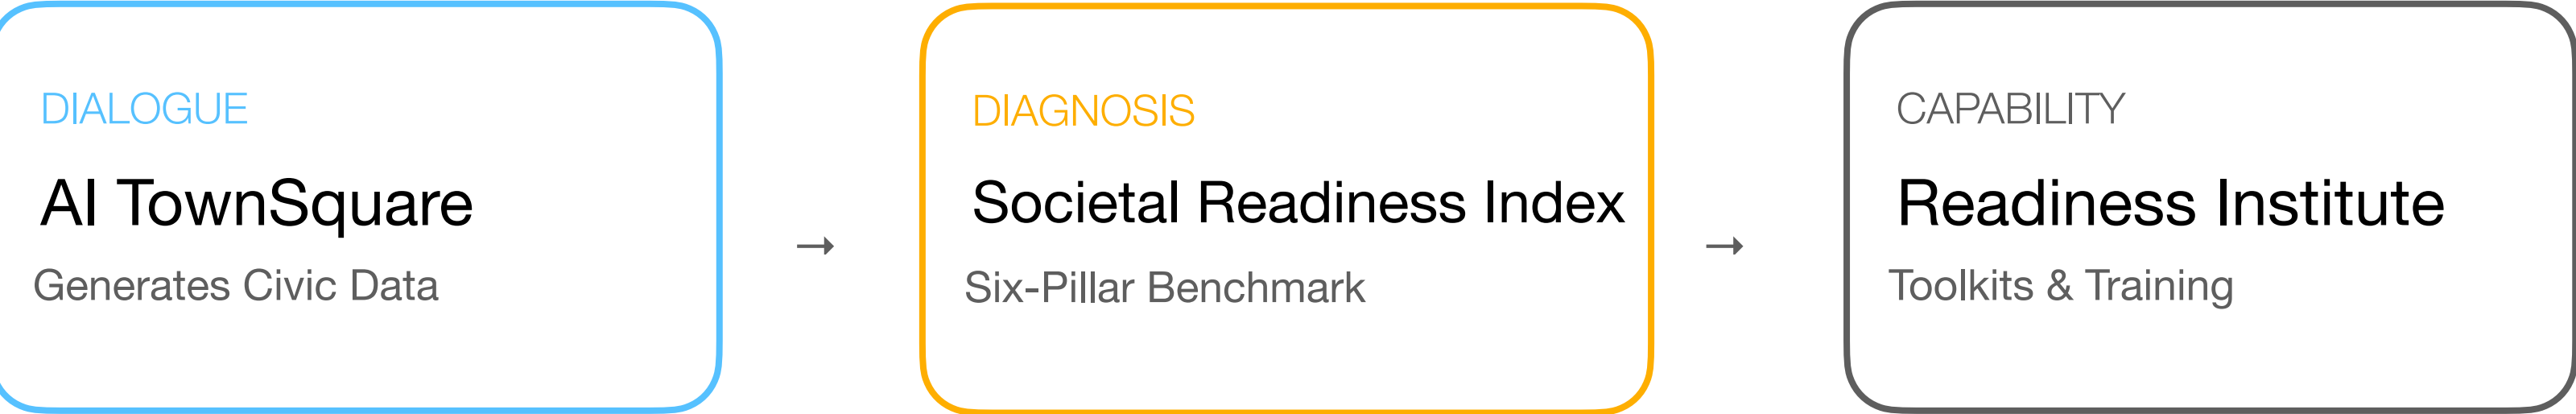

## The Protocol

# Seven Phases. One Hour. Civic Intelligence.

*The protocol is the product. It works regardless of who hosts, where it runs, or what the topic is.*

# A Self-Correcting Civic Operating System

↻ Each session makes the system smarter

**SRI Pillars**

Governance (25%) · Citizen Empowerment (20%) · Ethics (20%) · Economic Adaptability (15%) · Infrastructure (10%) · Foresight (10%)

**Why It Matters**

Governments want benchmarks.  
The SRI gives them a score.  
TownSquare generates the data. The Institute closes gaps.
