AI TownSquare Program

AI TownSquare’ONE, Doha Edition

About the AI TownSquare

AI TownSquare is a forward-looking and inclusive platform, born in Doha, designed to bridge the global gap between AI advancement and societal readiness.

Overview

AI TownSquare'ONE features an interactive workshop and Q&A session, helping participants gain a clear understanding of AI as a General-Purpose Technology (GPT) with wide-ranging applications.

Key Features:

- **Date:** 19 September, 2024
- **Duration**: 2 hours(6-8pm)
- **Location**: Workinton, M7
- **Capacity:** 50 People
- **Seating Arrangement:** Informal cabaret style
- **Primary Delivery Format:** Small group discussions—ideal for gaining new perspectives.
- **Category & Focus:** AI fundamentals; Core principles and concepts.
- **Outcome**: Clear Understanding of the general purpose nature of AI.

Target Audience

AI TownSquare’ONE

Business leaders, decision-makers, and executives curious about AI's impact and potential as a General-Purpose Technology.

AI TownSquare’ONE Objectives

One

Demystify AI

Provide a clear understanding of what AI is and isn’t.

Two

Contextualise AI as a General-Purpose Technology (GPT)

Explain the concept of GPTs and place AI within this framework.

Three

Illustrate AI's Growth, Generality & Complementarity

Demonstrate AI’s wide-ranging applications across various industries as a General-Purpose Technology (GPT).

Four

Foster Awareness of AI's Impact

Help participants see how AI is shaping society and business today, and how it's poised to continue to do so in the future.

Five

Prepare Participants for Further Engagement

Build a foundation that empowers attendees to engage more meaningfully in future AI discussions and initiatives.

Six

Foster a Vibrant AI Community in Doha

Initiate the AI conversation across diverse segments of Qatari society, spark dialogue, encourage collaboration, and cultivate local expertise.
